To whom it may concern:

I am writing to you on behalf of our Bay Harbor Minor Hockey Association (BHMHA), located in Southern California. BHMHA is member of Southern California Amateur Hockey Association and California Amateur Hockey Association. Our club, through excellent training and coaching, has been able to compete with the Local and Regional teams from Southern California, teams from Northern California and Canadian Youth Hockey Teams. The mission of the Bay Harbor Hockey Club is to promote and develop youth Hockey for boys and girls in Southern California, to provide a positive atmosphere for young athletes to thrive and gain individual merit both on and off the ice rink and to help defray the ever increasing costs of youth athletics.

The Bay Harbor Hockey Club's commitment to excellence is evidenced by: 1) offering year round training which includes comprehensive on-ice player development, off-ice training, and speed and agility training, 2) utilizing the highest level of professional coaches and trainers, and 3) placing our premier teams in the highest level tournament and league play available.

In the 45 years since inception, the club has seen many players develop to the highest level of Hockey, we are proud of our heritage and current NHL players, John Grahame (Carolina Hurricanes) and Richard Park (New York Islanders), both of whom got their start as members of the Bay Harbor Red Wings program. The pool of younger player will, as their skills develop, advance into premier teams.

It is this success that inspires us to continue developing players and why we turn to you for support. Bay Harbor Minor Hockey Association hopes that all children in Southern California, regardless of socioeconomic background, will be able to participate in high level Hockey training, tournament, and leagues. Children dream of being successful Hockey players and you can help. Inner-city Los Angeles is an economically depressed area and the fees associated with higher-level Hockey are financially stretching our parents and preventing some players from joining the club. Your support, through sponsorship, will allow us to provide a high quality Hockey program for all children, including those that are currently unable to participate. In return, your name will be prominently associated with the positive values of youth athletics. Your help is also tax deductible as we are a tax-exempt, nonprofit organization as defined under Section 501(c) (3) of the Internal Revenue Codes. Any help in this matter would be greatly appreciated by many future Hockey stars and their parents.

Please consider your organization helping the kids of the Bay Harbor Minor Hockey Association?

Thank you,

Monica Lewis, President
